“ Heartfelt condolences to Marie, Ryan, Jaclene, their children, and Steve's extended family regarding his passing. I just learned he succumbed to the dreadful disease that has claimed so many before him. Although I had not seen him in many years, Steve was one of the finest gentleman I ever came in contact with. I know the void he leaves will never be filled, and the pain of his loss will be lasting, but I hope the lifetime of love and memories he left behind will sway the anguish of your bereavement in the month's ahead.

Our most sincere condolences,
