“ With those beautiful Irish eyes and your grace, may you look down from Heaven on all of us who loved you and know how much you were loved in your lifetime. You were not only a great cousin, but also a cherished friend. I am already missing our late night phone chats. You were one of those rare people who could remember all the details of any conversation you had with them. Sincere and genuine. I am grateful that we crossed paths in this life---from Sigel St and beyond. May you enjoy the peace of being with your loved ones in Heaven. You will be so missed. Until we meet again.... I love you.

“ Terri .. what can I say ... we have so many great memories.. all the crazy things we did ... our Goretti days ... our bike rides to the lakes everyday in the summer .. after you waking me up to do my chores .. we laughed and laughed .. if it wasn't for you I wouldn't have met my husband . You said he was perfect for me .. you must have been right we're still married all these years . I have a lifetime of great memories thanks to you . We didn't see each other a lot but wen we did we would just pick up like we never were apart .. you will always live in my heart . Please send me a few signs too ... I'll miss you but I know you are just in the next room ... say hi to Aggie for me ... I love you my dear friend ... you rest in paradise til we meet again....

“ People may wonder why I chose to put "Trishie" but the simple answer is, it is what you called me. "Where's my Trishie?, Are you bringing my Trishie to see me?"

Mom, you will be missed more than words can express. I hope you continue to send signs that you're around and please, never stop watching over us. I love you my sexy lady. 🥰
