“ *My deepest condolences to Theresa's family.*

I know she loved all of you deeply and I am sure you will miss her forever.

Theresa was always a bright light at the office. She worked hard to be sure that everything was done properly and that everyone was cared for.

Her niceness and compassion always brightened my day.

Theresa was a good friend; her kind heart will continue to shine.

“ *I have so many memories. My second mom, my home away from home. Terri was always taking care of us, loving all of us. Oh the crap Angel and I put her through, but she just laughed at us. From dancing on the roof to disasters with sun in. Terri I will miss you so much. Thank you for all of the great times, memories and love.*
