Cousin Sissy I remember the fun times as a little girl we had, we lived around the corner from Aunt Ellen and your family. Sorry we lost connection over the years but we will all meet again soon.

“ Nanny.. I remember when I was a little girl , you washing dishes and I told you can never leave me and go to Heaven and if you tried to I would wrap my arms around you legs and come with you. You were my second mother from day one without missing a beat until the end. I love you so so much more than you will ever know. I'm going to miss our talks and tea sessions with you and mommy in the kitchen.. Rest well Nanny.. and make sure my Jose isn't shaking Heaven up too much. And please make sure you and mommy have a cup of tea waiting for me when I see you all again
