“ Dear Beth (and family):
I've been trying to write this for couple days. But nothing seems to come to me on how it would make you feel better at this time. All I can say is GOD has her now and she is checking in with your Dad as well and is healthy as she use to be. The feeling of lost will never go away but it will get easier to remember her at those “funny gatherings” with all the family. She had a GOOD life while she was here and now a peaceful, resting one in heaven.
RIP Mrs Pupis you deserve that
