“ *Tisha is my dearest, oldest and "bestest" friend. Tisha was born on November 4, 1970 and passed away on November 3, 2020. She would have celebrated her 50th birthday. Cancer ravaged her body, but it never destroyed her spirit or her faith. Tisha and I have been friends since before we could walk. We've been through tough times, good times, wild times and even some peaceful times. No matter how far we were from each other, we never lost communication. We've walked each other through some pretty tough times and I can't imagine what this world will be like without her. She has beautiful children and a man by her side who loved her and did his best to take care of her. I hope she has nothing but sunny days where she is. Our favorite song as children was: "Here Comes the Sun" by the Beatles. We always knew that no matter how bad today might be, the sun will always rise giving the opportunity for a better day tomorrow. I will truly miss my "friend from the womb" -- My sister soul mate. Rest easy and enjoy the sun, Tisha. ❤️💙 <https://www.youtube.com/watch?v=KQetemT1sWc>
I will always love you, miss you and have a place in my heart for Tisha. ~ Love forever, Rachel*
