“ I knew Wayne from when he and his family lived on Ronald Dr, NE Phila. back in the 60's. I knew his whole family and had a loving respect for his mother and father and lil sis Carroll.. We spent many an evening at Nazareth Hospital hanging with his pops after his motorcycle accident. I was in his wedding years ago. I was beside myself when I came across his obit. My name is Steve Osborne and I always thought I'd hear from him again before we left this earth. Wayne and I hung around a lot before he moved to S.Philly. He had wild man streak in him for sure. My condolences to the family I am truly sorry for you loss. Peace out brother Wayne.
