“ *Dear family Convery. We want to offer you all our condolences on the loss of your dear father, grandfather and great-grandfather. How you will miss him. An empty home now. We remember him as mister Bill. Also visited the Netherlands, also ate herring, but that was not for him. You should miss a sweet fine father and grandfather now. But always in your mind. God's power and closeness in this difficult time*

Greetings from Willem, Jeanet, Annebeth en Bregje
