“ *The greatest things I have ever done in my life and the complete transformation of my life were because of Father Bill. God put this selfless man in my path to use me to help others. The experiences I had with Father Bill will be cherished forever. I can't think of anyone who was more influential to me in my lifetime. He has helped so many people. I will always love and miss him. Rest in peace my dear friend.*

“*Msgr. Dombrow was one of my mother's dearest friends that I had the privilege of knowing through her. Msgr. Dombrow used to tease that he felt sorry for the guy that ever married me so of course I insisted that he perform my wedding. I still remember how he specifically asked God to bless my husband because he was marrying me! Well, it definitely worked because we are still married. Although he loved to joke around with me, I know that deep, deep down that he knew I was still good. He was such a wonderful servant of God and true inspiration to all that will be greatly missed. My deepest condolences to his family.*

“*Billy was one of my closest friends since we were teenagers. When he received the calling to become a priest, I was so proud of him because I knew how many people's lives he would change. He did not disappoint as he truly did help so many throughout his priesthood. As a friend we had many laughs throughout our lifetime and he will be sorely missed.*

Love,

Theresa Walsh

“ Father Bill, or Padre” as I always called him, was instrumental in helping many in their recovery journey. He was my dear friend, baptized my grandchildren and my Godchild. He helped me through many tough periods of my life and I miss our chats and bantering back and forth. Although my heart is heavy, I take comfort in knowing he is now reunited with his parents, sister and others who were waiting for his arrival in heaven. Thank you Padre for being my friend.

“ *If it weren't for Fr.Dobrow I wouldn't be the person I am today. He was there and guided me in my most trying times. I wrote him a few years ago and thanked him. The only thanks he wanted was for me to do the same for someone else. Myself and myself are forever grateful!*
