“ My big brother Bill.....we were a team for nearly 65 years...he always had my back no matter what...such fun times raising our children...most recently, as ill as he was, he flew east from Texas when my husband died Dec 2016 and never left my side the day of the funeral. I will never forget his presence in my life and in the lives of my children Chris and Karen....always loving and available. Rest well now, Bill! Or maybe shake things up there with Tom!! Love you and miss you....Nan
